The Wellesley Floor Plan

So much space – so many possibilities for creating unique, personalized day to day living. Upstairs or down – **the Wellesley** “sparks joy” no matter where you are in your home.

Whether you are a “rocker” enjoying your sweet tea with the neighbors on the wide porch or a devout hobbyist who needs the ample space of the bonus room to display your treasures – there is a perfect space for every mood. Using every pan in the kitchen trying out the latest yummy Rachel Ray recipe? No worries about sharing the mess with anyone but you and Miss Ray. The kitchen is separated from the rest of the living area by a floor to ceiling wall.

When the day is done – retreat to your Main Bedroom and let the rain of a warm shower soothe your muscles or soak it out in the garden tub listening to Harry Connick, Jr by candlelight.
